WHAT'S THE SCOOP?

TRANSPORTATION

Greetings from Renville County West Elementary!

As our second week of school came to a close, we celebrate each child that has been entrusted to our care. The first week or two of school often has a few glitches that need to be worked out. As we work towards greater efficiency, enhanced student safety, and growth focused instruction, we appreciate your input and ask your cooperation.

Parents who are picking up students in PreK - Gr. 4 at the end of the day: please get out of your vehicle and collect your children on the west lawn. Make sure to connect either verbally or visually with your child's teacher. Unfortunately, there have been instances of drivers who drive through the stop sign. Our goal is safety for all. If a parent is not present right at time of dismissal (3:17 PM), those children will return to the library until 3:30 PM. Children riding bike in Grades PreK - 4 will be asked to remain in the library until buses have departed, or an older sibling comes to the library to ride along with them. Finally, we request that you communicate with the office any changes in transportation of your child **BEFORE 2:30 PM** so that the messages can be distributed to teachers with ample time to make adjustments before dismissal. Thank you in advance for your help with this matter.
