WHAT'S THE SCOOP?

The PAWsitve Postcard Program - Acknowledging Positive Behavior and Academic Success at RCW Elementary School

RCW Elementary will be implementing the **PAWsitve** Postcard Program again this school year for PreK-6th grade students! For those who don't know, the **PAWsitve** Postcard Program was designed to acknowledge students who display positive behaviors at school as well as acknowledging students who are working hard and achieving academic success in the classroom! Whether they are improving their listening skills, working hard to stay on task, did well on a test, being able to manage their emotions, OR are helpful to their peers, being a good friend, or just having a positive attitude, WE want to recognize these **PAWsitives!** Teachers and school staff will choose students throughout the school year that are modeling positive behaviors in the classroom or making gains in the classroom. Postcards will be mailed home and these students will be recognized at the End of the Quarter Celebration in front of the elementary study body and staff at school. Parents/Guardians please keep your eye out this school year for some **PAWsitvity** in your mailboxes and celebrate these successes with your child at home!

We are PROUD of them!
