Technology Support

School Year 2020-2021

Technology Support

Need for Internet Access?

We are still trying to partner with local internet providers in an effort to provide internet access to any family that doesn't currently have access. We have surveyed families and 90% have indicated internet in the home with the other 10% having access that is limited to hotspots, cellular data on a mobile device, or state that internet is at times unreliable. In the event that we are able to coordinate internet access, we will get that out to those families. In the meantime, those students will receive an alternative means (hard copies) for participating and learning. A homework helpline has been set up for those students as well. rcw-homeworkhelpline@rcw.k12.mn.us or **320-329-8368 EXT. 1002**

Student Code of Conduct

School Year 2020-2021

Code of Conduct

Although our distance learning classroom environment is very different (online), the standards of behavior are as important as they are within the school walls. We consider our virtual classrooms as real classrooms. Teachers have dedicated many hours to learn and plan for alternate methods of delivery of lessons. Our teachers and support staff are dedicated to helping all students through this new approach. Therefore, appropriate student behavior is expected.

[Expanded form - Code of Conduct](#)

Code of Conduct in short form...

To ensure that all RCW students understand how to behave in an online environment, we have included a code of conduct that all students are expected to follow:

Interactions with Faculty, Staff, and Classmates

- 1. Students should address all RCW students and staff members respectfully. When addressing education professionals, use of title (Mr., Mrs., Ms., or Dr.) and last name is appropriate.**
- 2. Be polite and respectful at all times, in tone, both in virtual conversations, phone calls, and emails.**
- 3. All communications with other students must be of a course-related nature.**
- 4. Students are expected to demonstrate Academic Integrity.**

District discipline policy will apply.
