YOUR FOOD SERVICE PROGRAM FOR THE 2021-2022 SCHOOL YEAR

Taher, Inc. welcomes you to the 2021-2022 school year! We are excited that your District has chosen us to partner and provide the Renville County West School District with an exciting and nutritionally-balanced school food service program.

FOOD ALLERGY INFORMATION

As per State guidelines, if a student has a need for a special diet, the school and kitchen requires a special diet form that is filled out by a Physician. Contact Abby Grove with questions at 507-822-1777 or a.grove@taher. The nurse will also have forms in their office.

SPECIAL PROGRAMS OFFERED

We offer birthday treats or other special occasion treats for purchase.

We will offer affordable to-go activity lunches for students, teachers and coaches to take when school activities require long bus rides or being gone over a mealtime. Sign up the day before the activity.

HARVEST OF THE MONTH ~ "HEALTHY TO A T" NEWSLETTER

We promote our Harvest of the Month Program to expose students to fresh, healthy foods and try something they may not normally try at home. We use "On Display" chef demonstrations or give out samples to try! Educational fact flyers are prominently displayed in the café with fun facts aimed to garner interest and attention to the food.

Our "Healthy to a T" newsletter, which will be posted in the dining room, incorporates tips on a healthy lifestyle, and features interesting facts and a recipe for you to try at home for either the featured fruit, vegetable, spice or herb.

WHAT WE WILL BRING TO YOU

Taher's Food4Life menu offerings incorporate the following:

- Chef-developed, made-from-scratch items that are trans-fat free.
- Fruit and vegetable selections which complement our menu offerings, rotating daily.
- Harvest of the Month program which features a specific fruit, vegetable, and herb or spice each month, along with educational flyers.
